Global Tech Summit

Conference Program

July 24-25, 2023
New York, USA

Welcome to
Global Tech Summit 2023

The Organizing Committee welcomes you to New York and the Global Tech Summit 2023. We are thrilled to bring together some of the brightest minds, innovative thinkers, and industry leaders from around the world for this remarkable event. The Global Tech Summit is a platform that celebrates the cutting-edge advancements in technology, explores emerging trends, and fosters collaboration among industry professionals.

As we step into the future, technology continues to revolutionize every aspect of our lives. The Global Tech Summit aims to be at the forefront of this transformation by providing a space for experts to share their knowledge, inspire one another, and shape the future of technology. This year's summit promises to be bigger and better than ever before. With an impressive lineup of keynote speakers, panel discussions, workshops, and interactive sessions, we guarantee an enriching experience for all attendees. Whether you're an entrepreneur, a tech enthusiast, a researcher, or an industry professional, there is something for everyone at the Global Tech Summit.

Expect to delve into diverse topics ranging from artificial intelligence, blockchain, cybersecurity, augmented reality, Internet of Things (IoT), cloud computing, robotics, and much more. Our speakers will share their insights, success stories, and lessons learned, providing you with invaluable takeaways and actionable strategies to implement in your own endeavors. In addition to the enlightening sessions, the Global Tech Summit offers abundant networking opportunities. Connect with like-minded individuals, forge new partnerships, and establish relationships that will propel your career or business forward. The power of collaboration cannot be underestimated, and this summit serves as the ideal platform to create meaningful connections within the global tech community.

We believe in fostering an inclusive environment, where diversity is celebrated and different perspectives are valued. The Global Tech Summit is committed to providing equal opportunities and ensuring that everyone feels welcome and heard. Our aim is to create an atmosphere where ideas can flourish, and innovation knows no bounds.

Join us at the Global Tech Summit 2023, and together, let's unlock the full potential of technology and shape a brighter future. Get ready to immerse yourself in a world of possibilities, gain insights from industry luminaries, and be part of the revolution that is reshaping our world.

We look forward to welcoming you to this extraordinary event that promises to be a catalyst for change. Embrace the future at the Global Tech Summit 2023!

We have an exciting one days planned. There will be 80 oral presentations, over 40 poster presentations, 6 distinguished keynote speakers, 5 issue forums, and a closing panel discussion, we have built in plenty of time for renewing old friendships, making new friends,and networking. This includes the welcoming reception, poster reception, and gala banquet.

The Global Tech Summit Organizing Committee

JULY 24-25, 2023 | SESSION-01 | DAY 1

| 08:30 - 08:50 | Opening Ceremony |
| 08:50 - 09:00 | Introduction |

REGISTRATIONS & SOUVENIR DISTRIBUTION
08:00 AM - 08:30 AM

KEYNOTE FORUM

Time	Session
09:00 - 09:25 🇺🇸	**Title: Expansion pathology: Physical tissue expansion for advanced investigation of clinical specimens** **Octavian Bucur,** Harvard University, USA
09:25 - 09:50 🇨🇦	**Title: The Future of witnessed Out-of-Hospital Cardiac Arrest** **Rahaf Al Assil,** Clinician & Scientist CEO, Canada

Networking, and Refreshments: 09:50 - 11:05

Time	Session
11:05 - 11:25 🇪🇬	**Title: Type 2 diabetes mellitus as a risk factor for development of hepatocellular carcinoma: Case-control hospital based study** **Ibrahim El-Bayoumy,** Tanta Faculty of Medicine, Egypt
11:25 - 11:50 🇵🇭	**Title: Cortical laminar necrosis presenting as persistent headache in a patient with stroke** **Romario Ramos,** Oriental Mindoro Medical Society (OMMS), Phillipines

Panel Discussion

Session On Medical Technology

Time	Session
11:50 -12:10 🇺🇸	**Title: Usefulness of ChatGPT in oral and maxillofacial radiology** **Jyoti mago,** UNLV School of Dental Medicine, USA
12:10 - 12:30 🇺🇸	**Title: Leveraging artificial intelligence for advanced statistical modeling in cardiovascular thrombosis research** **Rahul Chaudhary,** University of Pittsburgh Medical Center, USA

Lunch Break 12:30 - 01:10

Time	Session
13:10 - 13:30 🇨🇭	**Title: Innovative marketing strategies for pharma leveraging digital channels and data analytics to reach and engage target audiences** **Alexandros Athanisiou, Takeda Pharmaceuticals International, Switzerland**
13:30 - 13:50 🇮🇳	**Title: Role of shorodhara along with yoga in the management of nidranasha W.R.T insomnia** **Yogita, Bhagwan Mahaveer Cancer Hospital and Research Centre, India**

Time	Presentation	
13:50 - 14:10 🇨🇳	**Title: Differentiative trajectory of hippocampal neural stem cells and interneurons by snrna-and scrna-sequencing** **Tingting Sun,** Zaozhuang University, China	
14:10 - 14:30 🇦🇺	**Title: Patterns of parental online health information-seeking behaviour** **Benedicta Yudianto,** Sydney Medical School, Australia	
14:30-14:50 🇹🇷	**Title: Shape reversibility and temperature deformation relation in memory behavior of shape memory alloys** **O Adiguzel,** Firat University, Turkey	
Networking, and Refreshments: 14:50 - 15:05		
15:05-15:25 🇺🇸	**Title: Mitigation of aging, illness and death: Death is cured via the telomere and genome modulating elixir of the Gods and Ajaw human parthenogenesis rebirth which allows us to revive the recently deceased as babies with partial memories** **Timothy Riley,** Ajaw University, USA	
15:25-15:45 🇮🇳	**Title: Virus is living and it's treatment** **Kunal Joon,** St. Thomas School, India	
Networking, and Refreshments: 15:45 - 16:00		
16:00-16:20 🇨🇦	**Title: Engagement of patients and family in their care services** **Farook Mirza,** Mirza Healthcare Associates Inc, Canada	
16:20-16:40 🇮🇳	**Title: Artificial intelligence is it viable tool in medical field: Is it going to be metaverse more than reality?** **Tejas pol,** Patil Dental College & Hospital, India	
16:40-17:00 🇦🇫	**Title : Diagnostic utility of p120 (delta-catenin) in differentiating invasive lobular carcinoma from invasive ductal carcinoma of breast** **Ahmed Nasir Hanifi,** Directorate of Diagnostic Services, Afghanistan	
17:00-17:20 🇧🇭	**Title: The role of ITC high velocity in the digital transformation** **Ali Abdulla Al Sadadi,** Chief of Information Technology, Bahrain	
17:20-17:40 🇮🇪	**Title: Artificial intelligence in cosmetic dentistry: Revolutionizing aesthetics and patient care** **Aswathy Sheela Sudhakar,** Royal College of Surgeons, Ireland	
Certificates and Award Presentations		
Thanks Giving Ceremony

usa@globalmedtechsummit.com

JULY 24-25, 2023 | SESSION-02 | DAY 1

08:30 - 08:50	Opening Ceremony
08:50 - 09:00	Introduction

REGISTRATIONS & SOUVENIR DISTRIBUTION
08:00 AM - 08:30 AM

KEYNOTE FORUM

09:00-09:25 🇺🇸	**Title: AI based retinal disease screening: concept to regulatory approval** **Alauddin Bhuiyan,** iHealthScreen Inc, USA
09:25-09:50 🇸🇪	**Title: New alternative methods to replace animal testing (3r) in development of drugs** **Wing Cheng Investor in Life Science,** Sweden
09:50 - 10:15 🇮🇹	**Title: A new economic and financial assessment for the common good. Some applications in healthcare** **Javier Fiz Pérez,** European University of Rome, Italy

Session on Pharmaceutical Technology

10:15 - 10:40 🇮🇳	**Title: Fun Run of Nanomedicine from Laboratory to Market** **Sanjay Dey,** Adamas University, India
10:40 - 11:05 🇺🇸	**Title: The impact of oil spills on fishermen in the niger delta of Nigeria** **Okorafor Ike Okorafor,** IOK Educational Foundation, USA

Networking, and Refreshments: 11:05-11:15

11:15 -12:35 🇲🇦	**Title: Evaluation of the quality of life of patients with chronic diseases in the hospital of kenitra in morocco** **Abdessamad el hamaoui,** Ibn Tofail University, Morocco
12:35 - 13:00 🇮🇷	**Title: Predictive power of Fat Mass Index, Visceral Adiposity Index, and Body Shape Index in presence of Type 2 Diabetes Mellitus** Mehnoosh Samadi, Kermanshah University of Medical Sciences, Iran

Panel Discussion

13:00-13:20 🇪🇹	**Title: Work-related stress and associated factors among sanitation workers in public hospitals during COVID 19** **Zerubabel Mihret,** Addis Ababa University, Ethiopia

Lunch Break 13:20 - 14:00

14:00-14:20	G20 Representation Slot
14:20-14:40	G20 Representation Slot
14:40-15:00	G20 Representation Slot
15:00-15:20	G20 Representation Slot
15:20-15:40	G20 Representation Slot
15:40-16:00	G20 Representation Slot

Networking, and Refreshments: 16:00-16:15

16:15-16:35	G20 Representation Slot
16:35-16:55	G20 Representation Slot
16:55-17:15	G20 Representation Slot
17:15-17:35	G20 Representation Slot
17:35-17:55	G20 Representation Slot
17:55-18:15	G20 Representation Slot
18:15-18:35	G20 Representation Slot
18:35-18:55	G20 Representation Slot
18:55-19:15	G20 Representation Slot

Awards Presentation for the Application of Technology

Thanks Giving Ceremony

July 24-25, 2023 | SESSION-03 | DAY 2

| 08:30 - 09:00 | Opening Ceremony |
| 08:50 - 09:00 | Introduction |

REGISTRATIONS & SOUVENIR DISTRIBUTION
08:00 AM - 08:30 AM

KEYNOTE FORUM

09:00 - 09:25	**Title: Progress at crossroads of human condition** **Pesi Amaria,** Southern New Hampshire University, USA	
09:25 - 09:50 🇬🇧	**Title: Secure and fair watchdog selection for vehicle ad-hoc network security systems** **Brian Akwirry,** Edge Hill University, UK	
09:50 - 10:15 🇮🇳	**Title: G-c3n4 based heterostructures for sustainable h2 energy** **Tokeer Ahmad,** Department of Chemistry, Jamia Nagar, India	

Networking, and Refreshments: 10:15 - 10:30

| 10:30 - 10:55 🇬🇧 | **Title: A comparative analysis of recovery modes for reusable launch vehicles (rlvs)**
 Raj Bharat Panchal, Rolls-Royce, UK | |
| 10:55 - 11:20 🇮🇳 | **Title: Surface activity in drug action**
 Anantha Naik Nagappa, Zee Himagiri University, India | |

Panel Discussion

Session on AI Technology

11:20 - 11:40 🇬🇧	**Title: Low energy buildings design and human comfort solutions** **Abdeen Omer,** Energy Research Institute, UK	
11:40 - 12:00 🇮🇳	**Title: The definition, diagnosis and treatment of fever are against modern science in the world today! Why?** **Yacob Mathai,** Marma Health Centre, India	
12:00 - 12:20 🇸🇾	**Title: In vitro antifungal activity of clove oil against candida albicans isolated from clinical samples** **Noura berakdar,** University of Aleppo, Syria	

Lunch Break 12:20 - 13:00

https://www.globaltechsummit.com/united-states.html

usa@globalmedtechsummit.com

Time	Session	
13:00 - 13:20 🇺🇸	**Title: Harnessing the power of artificial intelligence for social good**	
	Mohammed Jabateh, University of California, USA	
13:20 - 13:40 🇺🇸	**Title: Nanomaterial-mediated systemically administered m-rna-based gene therapy directed exclusively to cancer, resulting in eradication of implanted orthotopic tumors with no side effects**	
	A. C. Matin, Stanford University School of Medicine, USA	
13:40 - 14:00 🇸🇩	**Title: Epilespy treatment watch**	
	Emad Hamid, CEO founder of Nanoelectron, Sudan	
14:00 - 14:20 🇮🇷	**Title: Effect of biosynthesized selenium nanoparticles using nepeta extract against multidrug-resistant pseudomonas aeruginosa and acinetobacter baumannii**	
	Seyedmahdi Hosseini Bafghi, Mashhad University of Medical Sciences, Iran	
14:20 - 14:40 🇪🇬	**Title: Unification of gravity and electromagnetism**	
	Mohammed A. El-Lakany, Cairo University, Egypt	
14:40 - 15:00 🇨🇳	**Title: Recent advances of magnetic gold hybrids and nanocomposites, and their potential biological applications**	
	Mirza Muhammad Faran Ashraf Baig, Hong Kong University of Science and Technology, China	

Networking, and Refreshments: 15:00-15:15

Time	Session	
15:10 - 15:30 🇮🇪	**Title: Next generation optimization models and algorithms in cloud and fog**	
	Punit Gupta, University college Dublin, Ireland	
15:30 - 15:50 🇬🇧	**Title: Secure and fair watchdog selection for vehicle ad-hoc network security systems**	
	Brian Akwirry, Edge Hill University, UK	

Panel Discussion

Time	Slot
15:50 - 16:10	G20 Representation Slot
16:10 - 16:30	G20 Representation Slot
16:30 - 16:50	G20 Representation Slot
16:50 - 17:10	G20 Representation Slot
17:10 - 17:30	G20 Representation Slot
17:30 - 17:50	G20 Representation Slot
17:50 - 18:10	G20 Representation Slot
18:10 - 18:30	G20 Representation Slot

Awards Presentation for the Application of Technology

Thanks Giving Ceremony

JULY 24-25, 2023 | SESSION-04 | DAY 2

| 08:30 - 09:00 | Opening Ceremony |

| 08:50 - 09:00 | Introduction |

REGISTRATIONS & SOUVENIR DISTRIBUTION
08:00 AM - 08:30 AM

SESSIONS ON AI TECHNOLOGY

| 09:00-09:20 🇨🇭 | **Title: Implementation of agriculture step by step**
Marco Brini, Digital Agriculture C-Level consultant, Switzerland | UNIVERSITÀ DEGLI STUDI DI TORINO |

| 09:20-09:40 🇨🇳 | **Title: Seaweed + health: A unique solution to current and future health challenges**
QinYimin, China | YOUR LOGO HERE |

| 09:40-10:00 🇮🇳 | **Title: Development of nano-particles based biosensor (lateral flow device) to detect the presence of A2 beta-casein in the milk samples**
Manish Kumar Singh, Banaras Indu University, India | BANARAS HINDU UNIVERSITY |

Networking, and Refreshments: 10:00 - 10:15

| 10:15-10:35 🇮🇷 | **Title: Optimization of energy comsumption in land leveling using GIS**
Farhad Mirzaei, University of Tehran, Iran | |

| 10:35-10:55 🇸🇾 | **Title: Predict energy consumption for land leveling using integrating artificial neural network and pso algorithm (pso-ann), artificial neural networks**
Isham Alzoubi, Directorate of Engineering and Transportation, Syria | UNSW |

| 10:55-11:15 🇿🇦 | **Title: Effect of parity on milk production of dairy cows under pasture based systems: fort hare dairy trust alice, eastern cape**
Siphelele Matumbu, University of Fort Hare, South Africa | 2023 ACADEMIC YEAR REGISTRATION GUIDE |

Panel Discusiion

Lunch Break 11:15-11:55
Awards Presentation for the Application of Technology
Poster Presentations: 13:10-16:10

| GTSP-01 🇲🇳 | **Title: The prevalence and risk factors of chronic heart failure in mongolian population**
Pagmadulam Sukhbaatar, University of Medical Sciences, Mongolia | MNUMS |

| GTSP-02 🇦🇪 | **Title: A salutogenic approach to managing irritable bowel syndrome: exploring the efficacy of the fodmap diet to revive patient's quality of life**
Reimara Valk, University: American University in Dubai, UAE | YOUR LOGO HERE |

| GTSP-03 🇪🇹 | **Title: Why women in ethiopia give birth at home? A systematic review of literature**
Seifu Weldegiorgis, Salale University School of Midwifery, Ethiopia | |

Unleash Your Brilliance: Gain Recognition and Global Exposure at Esteemed G20 Conferences and in Renowned G20 Proceedings

Unleash your potential: Gain recognition and worldwide exposure by presenting your research at prestigious G20 conferences, while enjoying the opportunity to publish in renowned G20 proceedings in multiple global languages. Embrace the flexibility of virtual or in-person presentations

Join us, scholars, scientists, industry professionals, and physicians, in shaping the future of affordable healthcare and medicine. Unleash your impact and be rewarded for your scientific, healthcare, and technological services through the prestigious G20 Event series and G20 Proceedings Publication.

Embarking on a global journey of innovation, the Abstract Submission and Presentation Guidelines set the stage for the prestigious Global Tech20 Summit, Pharma20 Summit, G20 Health20 Summit, and a selection of other remarkable conferences. These grand events transcend borders and time, captivating the world's attention in captivating cities such as New York City, London, Tokyo, Paris, Los Angeles, Istanbul, Shanghai, Beijing, Moscow, Sao Paulo, Cairo, Mexico City, Hyderabad, Chennai, New Delhi, Vizag, Sydney, Rio de Janeiro, Buenos Aires, Johannesburg, Dubai, Rome, Seoul, Amsterdam, Toronto, Hong Kong, Singapore, Berlin, Madrid, Kuala Lumpur, Bangkok, Vancouver, San Francisco, Chicago, Abu Dhabi, Barcelona, Washington D.C., Istanbul, Osaka, Prague, Milan, Jakarta, Stockholm, Copenhagen, Vienna, Athens, Warsaw, Helsinki, Brussels, Lisbon, Budapest, Dublin, Auckland, and Edinburgh. Unfolding throughout the year, these vibrant gatherings not only offer in-person experiences but also embrace the limitless possibilities of online participation. We may change or choose a nearby venue in the respective city depending on availability and cost constraints. These details will be showcased regularly on the websites at least 30 days in advance.

The abstract submission and presentation guidelines are crucial for ensuring a fair and standardized evaluation process for award nominations. These guidelines provide a framework for applicants to effectively showcase their work and for selection committees to assess their qualifications. Here are ten comprehensive guidelines to help applicants prepare their abstracts and presentations.

1. **Word Limit and Biography:** The abstract should not exceed 1000 words, with a minimum of 200 words, while the biography should be within 200 words (minimum 50 words). Adhering to these limits allows for concise yet comprehensive submissions.

2. **Images and Publications:** Applicants can include a maximum of three images, including their own photography. Additionally, they should provide a list of recent and relevant publications, ranging from a minimum of five to a maximum of 10. These references demonstrate the applicant's knowledge and expertise.

3. **Abstract Structure and Formatting:** The abstract should be well-structured with clear headings and subheadings, facilitating easy navigation through different sections. Applicants must follow specified formatting guidelines for font size, margins, and spacing to ensure consistency and readability.

4. **Content Clarity and Objectives:** The abstract should clearly convey the research or project's objectives in a concise and understandable manner. The methodology employed, including any innovative approaches, should be highlighted, and the results presented with relevant data and statistical analysis.

5. **Significance to the Award:** Applicants must emphasize how their work aligns with the objectives and criteria of the specific award. It is essential to highlight how the research or project addresses the challenges or advancements sought by the awarding organization.

6. **Language and Style:** The abstract should be written in clear and concise language, avoiding technical jargon that may hinder understanding. Proofreading is crucial to eliminate grammatical and spelling errors, ensuring a polished and professional presentation. Engaging and captivating writing style helps convey the applicant's enthusiasm and passion for their work.

7. **Presentation Guidelines:** In addition to the abstract, applicants may be required to prepare a presentation that further elaborates on their research or project. Specific guidelines will be provided, including the format (e.g., oral or poster presentation), time limit, and content requirements. The presentation should effectively communicate key findings and implications.

8. **Review and Evaluation:** An expert panel or jury will review and evaluate the abstracts and presentations based on factors such as scientific rigor, innovation, clarity of communication, and potential for practical applications. The guidelines ensure a consistent and fair evaluation process.

9. **Conference Presentations:** Successful candidates will be invited to present at respective pre-conferences, Global Tech20 Summits, Pharma20 Summits, G20 Health20 Summits, and other conferences held in major global cities throughout the year. Alternatively, online presentations may be arranged. A registration fee of $399 USD will be required to cover conference costs.

10. **Publication and Proceedings:** Accepted presentations will be published in a reputed journal with a nominal publication cost of approximately from $999 USD to $1999 USD depending on the journal of publication. This allows for wider dissemination of the research and contributes to the applicant's academic and professional recognition

Abstract Submission and Presentation Guidelines serve as a guiding light, illuminating the path for talented individuals to showcase their brilliance. As they navigate the captivating cities and engage in the exchange of knowledge, these guidelines ensure that excellence prevails, leaving an indelible mark on the global landscape of innovation.

Be a Part of the Distinguished G20 Community, Showcasing Your Research and Gaining Recognition in Global Conferences and Proceedings

For details on the list of venues and dates, please visit

https://www.globaltechsummit.com | https://www.20summit.com | https://www.conferenceseries.com/

Be a Part of the Distinguished G20 Community, Showcasing Your Research and Gaining Recognition in Global Conferences and Proceedings

We extend a cordial invitation to scholars, scientists, and physicians to actively participate in an endeavor that holds the potential to shape the future of affordable healthcare and medicine. Your invaluable research can make a remarkable impact in these vital areas.

We invite you to submit your research for presentation and publication in prestigious platforms such as the G20 Affordable and Accessible Health-care Summit series, Global Tech20 Summits, Pharma20 Summit series working group meetings, Pharma20 Summit series, digital health, and the esteemed G20 conference proceedings publications. By joining this distinguished community, you have the opportunity to earn recognition for your work while contributing to the esteemed G20 proceedings.

We seek research that focuses on promoting affordable and accessible healthcare, accessible medicine, and the practical application of your findings in the domains of science, technology, and medicine. This is an excellent opportunity to present your selected abstracts at the designated G20 conferences or through virtual presentations. Following these presentations, your work will be featured in the renowned G20 conference proceedings publication.

This is an excellent opportunity to present your selected abstracts at the designated G20 conferences or through virtual presentations. Following these presentations, your work will be featured in the renowned G20 conference proceedings publication.

We eagerly anticipate your participation and the valuable insights you will bring to this exceptional platform. Together, we can make significant strides in advancing affordable healthcare and medicine, ensuring their accessibility to all.

Regardless of Physical Presence, Showcase Your Work and Get Published in the G20 Event Series Proceedings, Available in Global 20 Languages

In the event that unforeseen circumstances prevent your physical presence at these events, we are pleased to offer a virtual presentation opportunity, ensuring that your work is still showcased. Additionally, your abstracts and articles will be published in the G20 event series proceedings, available in selected global 20 languages, and we will personally send your well-deserved award memento and reward certificate to your designated address.

READY TO BE INSPRIED

From visionary advice to motivating insights at the **Global Tech Summit**

Catch up with out Award Winners and hear about the Future to Technology, where Science, Ideas, and Innovation meet Technology

Academic and Research Excellence

This award honors those who have excelled in their academic and research endeavors and have made significant contributions to the development of knowledge in their profession. The award is frequently bestowed upon persons who have made major contributions to the academic community via their research and teaching, and it is typically seen as a mark of acknowledgment and respect within the academic community. It is a distinguished award that recognizes the devotion and hard work of people who have committed their careers to expanding knowledge and understanding.

Best Research Scholar

The Best Research Scholar award is a renowned honor presented to persons who have made substantial research contributions to their profession. This award honors researchers who have made major contributions to their discipline and have exhibited excellence pursuits of research. The award is frequently bestowed upon persons who have made major contributions to the academic community via their research, and it is seen as a mark of acknowledgment and esteem within the academic community.

Award of Research Excellence

Individuals who have made substantial contributions to their area via study are recognized with the Award of Research Excellence. This award celebrates research excellence and the hard work and devotion of researchers who have committed their lives to the advancement of knowledge and understanding. It is a prominent accolade bestowed upon persons who have made major contributions to the academic community via their research, and it is regarded as a mark of acknowledgment and respect within the academic community.

Outstanding Research Award

The Outstanding Scientific Award is a distinguished award awarded to persons who have made substantial research contributions to their profession. This award celebrates research excellence and the hard work and devotion of researchers who have committed their lives to the advancement of knowledge and understanding. It is a prominent accolade bestowed upon persons who have made major contributions to the academic community via their research, and it is regarded as a mark of acknowledgment and respect within the academic community.

Best Research Paper Citation

The Best Research Paper Citation honors research publications that have been frequently cited by other scholars in their own work. This prize acknowledges research publications that have made substantial contributions to their discipline and had an influence on the academic community. Papers that earn this honor are usually regarded as significant contributions to the area and are widely referenced as a source of information or as a point of reference in other research.

Open Research Award

The Open Research Award recognizes people or organizations that have made major contributions to the open research movement. Open research is the practise of making research results, including data, techniques, and materials, available to the public in order to improve research openness and reproducibility. Individuals or organizations who have exhibited a dedication to open research principles and practices and have made substantial contributions to the open research community are recognized with the Open Research Award.

Young Faculty Award

The Young Faculty Award is a renowned accolade bestowed on young faculty members who demonstrate remarkable promise in research and teaching. The award is often presented to early career faculty members who have already made major contributions to their discipline and have the potential to make even larger achievements in the future. Award winners get a stipend to help their research and professional growth, as well as acknowledgment and exposure within the academic community. The prize is competitive, and it is frequently seen as a stepping stone to even greater achievement in academics. It is an excellent chance for young faculty members to enhance their careers and have a good effect on their profession.
